Sir:

**REQUEST FOR CLARIFICATION**

The "Response to Request for Corrected Filing Receipt" mailed 10/19/2001 alleges that the Office is unable to comply with applicant's request -- but fails to check any box or to provide any additional text indicating why applicant's request for corrected filing receipt cannot be met. Applicant's request was filed April 20, 2001 and merely asked that the number of pending claims be corrected to reflect the number (89) of claims pending after entry of applicant's preliminary amendment filed February 6, 2001 concurrently with the filing of the application. It seems like a rather simple request and one that should be within the capability of the Office to effect.

In any event, the undersigned is unable to ascertain from the 10/19/2001 document (a copy of which is attached) what if anything was deficient about the earlier April 20, 2001 request. Clarification is therefore sought.

ELY

## RESPONSE TO REQUEST FOR CORRECTED FILING RECEIPT

## Claims, Fees, Inventors and Continuity

In response to your request for a corrected Filing Receipt, the Office is unable to comply with your request because:

- ☐ The total number of claims appearing on the Filing Receipt does not include multiple dependent claims. The total fee appearing on the Filing Receipt includes the cost of multiple dependent claims that were present at the time the application was filed.
- ☐ The filing fee is correct. It includes the surcharge under 37 CFR 1.16(e) for filing an oath/declaration or basic filing fee after the application filing date.
- ☐ The inventor information may be truncated if the family name consists of more than 50 characters (letters and spaces combined) and if the given name consists of more than 50 characters (letters and spaces combined). The inventor's residence allows for up to 40 characters (letters and spaces combined).
- ☐ The docket number allows a maximum of 25 characters.
- ☐ Continuity claimed under 35 USC 120 cannot be added to the Filing Receipt without supplying the relationship (i.e. continuation, divisional...).
- ☐ Foreign priority will appear on the Filing Receipt in the following order:  
**Country, Application number, Filing date.**
- ☐ The person signing on behalf of the deceased inventor will be reflected on your Filing Receipt as the legal representative.
- ☐ Only one character per space is allowed. Therefore, punctuation which is usually placed above or below a letter, such as an umlaut (..), cannot be included on the Filing Receipt.

Any corrections that may need to be done to your Filing Receipt should be directed to:
